Liability - Garden

The landlord is not liable for valuables of the guest. Parents are responsible for their children. Garden, BBQ-Area and rear garden – use at your own risk - this is not a public playground – parents have to look at their kids... you can also use our privat garden – please have look at the door - It should be closed all the time! Otherwise our dog “Kira” and the chickens “Cars & Brownie” will be running around free ☺ - thanks!

Bathroom and washing machine

No hygiene products, waste, food residues, harmful liquids, fats or similar may be thrown or poured into the shower and toilet, as this can lead to unpleasant blockages.

If you want to use the washing machine in the hallway, you need special coins to switch off the power supply. We kindly ask you to use a descaler stick for every wash!

Damage

Nobody deliberately damaged goods, but it can happen to anyone, that once something breaks. If this should happen but, please , be sure to inform us the damage immediately so that we find this not only after your departure at the final cleaning . The guest is liable for damages in the amount of the replacement cost.

Please go gently with the resources of water and electricity.
